A G E N D A

1. Introduction of Attendees and any New Participants

1. **Sven Tjelta, owner of S.O. Tjelta & Associates**

Sven Tjelta has been a business consultant through S.O. Tjelta & Associates for over 50 years, with offices in Langley BC, Seattle WA, Atlanta GA, and in Norway. His consulting practice included many start-up businesses for clients and many of his own, the most recent being **Empire Hydrogen Energy Systems Inc. right here in Sidney, BC**. He has helped raise seed capital for many of his clients as well as his own companies. Sven will talk about some client's start-ups and of course, **Empire Hydrogen Energy Systems Inc.**

Sven's speaking topic will be" **The Trials & Tribulations of Manufacturing Start-ups"**

As an entrepreneur Mr. Tjelta has owned and successfully operated businesses in the following sectors: auto collision repair, real estate, construction, health care facility, industrial electronics services, mortgage business, bio-medical technology, mergers and acquisitions, initial public offerings (IPOS), private placements, medical care clinics, debt counseling, marriage counseling.

Three of Mr. Tjelta's most successful start-ups were "hi-tech" electronics manufacturing, marine telecommunications and an electronic research laboratory.

In his four decades of professional management consulting, Mr. Tjelta has personally advised and consulted to all primary industries: construction, retail, agriculture (including horticulture), service, government, transportation, manufacturing and resource (forestry, mining, aquaculture).
