A G E N D A

1. Introduction of Attendees and any New Participants
2. **Speaker: Peter Evans, CEO - CryoLogistics Refrigeration Technologies Ltd.**
3. Peter started his adult life as a police officer and went on to serve 25 years with the RCMP in locations all across Canada including the far North. Following his retirement Peter went into a number of private sector leadership positions beginning with the Vancouver Airport Authority and including work with a national telecommunications company and an architectural and engineering consultancy. He launched CryoLogistics in 2011 and began collaborating with the University of Victoria Faculty of Mechanical Engineering. Since that time he has also engaged with Camosun College and from both of those esteemed local educational organizations has been able to leverage nine different Co-op students all of whom are studying to be mechanical engineers. The past year has seen a significant advancement in the technological development of the product he intends to take to market and that he will describe at our May 10th meeting.
4. As always, the meeting is held at 7am on the 2nd Thursday of every month at the Victoria Flying Club Dakota Café. Please join us on **Thursday / May 10th / 7am** and RSVP (john@harbourdigitalmedia.com) only if you plan on attending.
